

VALUES FOR A SUSTAINABLE FUTURE

- 1. Strive to treat others as you would like to be treated.*
- 2. Think globally.*
- 3. Work for a sustainable development.*
- 4. Think before every action. What would unconditional love have done?*
- 5. Strive towards a world that does not allow violence to solve conflicts.*
- 6. Work to eradicate hunger, poverty and illiteracy for everyone.*
- 7. Life is music. Play it!*
